Get the Eppendorf Advantage!

2017 Promotional Offers

Valid to December 31st, 2017 / Australia

Trade-in / Trade-up Offers

The Eppendorf Trade-in/Trade-up program works by trading in or trading up any brand/any condition pipette, dispenser or pipetting aid for a new one*.

Save 30 %
Trade-in any single- or multi-channel pipette (any brand) for a new single- or multi-channel pipette:

> **Eppendorf Research® plus**
> **Eppendorf Reference® 2**

Save 25 %
Trade-in or Trade-up from your old model (any brand) dispenser, manual or electronic dispenser, manual single- or multi-channel pipette, bottle-top dispenser or pipetting aid for a new:

> **Multipette® M4**
> **Eppendorf Multipette® E3/E3x**
> **Eppendorf Xplorer®** or **Xplorer® plus**
> **Eppendorf Varispenser® / Varispenser® plus**
> **Eppendorf Easypet® 3**
> **Eppendorf Top Buret™**

Don’t Forget! Register your pipettes to receive epPoints.
With Eppendorf’s bonus points program you can claim a great variety of fantastic rewards. Use the QR code or visit www.eppendorf.com/myeppendorf

*The pipette, dispenser or pipetting aid being traded in or traded up must be like for like, e.g., a single-channel pipette for a single-channel pipette, a multi-channel pipette for a multi-channel pipette, a dispenser for a dispenser.

Pipette any liquid...

Perfection lies in the details. In 1961, Eppendorf launched the first piston stroke pipette. Today, with over fifty years of experience in precise manual and automatic pipetting/dispensing Eppendorf products are associated with state of the art technology, outstanding ergonomics and award winning design. This applies to both devices and associated consumables such as pipette tips.

Mix and Match Promotional Offer*: Buy any 3 Eppendorf pipettes (manual or electronic), Get a 4th one Free!

Includes:

> Eppendorf Research® Plus
> Eppendorf Reference® 2
> Eppendorf Xplorer® and Xplorer® plus
> Multipette® M4
> Multipette® E3 / E3x
> Easypet® 3
> Varispenser® / Varispenser® plus
> Eppendorf Top Buret™

For ordering information visit www.eppendorf.com/pipettes

* Not available on demo stock and stock clearance promotions. Promotion includes Eppendorf Research plus 3, 4 and 6 pipette packs. Promotion excludes Trade-in pipettes. Free pipette must be of equal or lesser value than the items purchased. Free pipette will be supplied to you at the time of quote and time of order. For online orders please document your free pipette part number in the shipping instructions.

Not all consumables are created equal!

Demanding applications require careful selection of consumables which will not adversely affect the quality of analytical results. Eppendorf laboratory consumables eliminate contamination, deliver reliable assay results and maximise sample recovery.

Find out more about how your pipette tip could be affecting your assay results by using the QR code included or visit www.eppendorf.com/handling-solutions

Get **10 % OFF** pipette tips^ when ordered with any Eppendorf pipette.

^Add any pipette tip to your pipette order and receive a 10 % discount on your tips. Please contact us for a quote or to add to your eShop order visit www.eppendorf.com/promotions

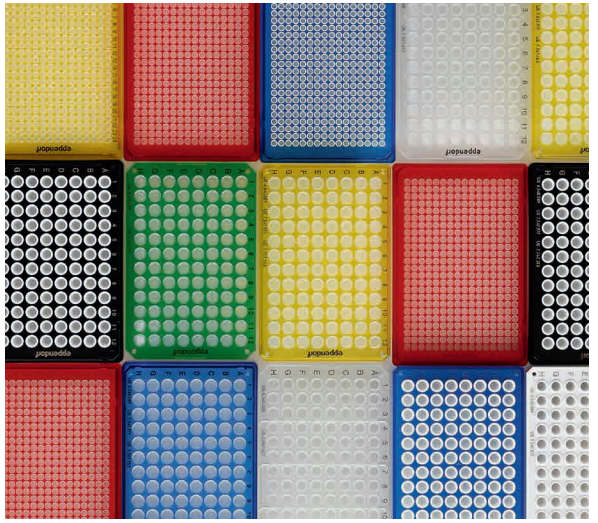
PCR Reloaded!

Mastercycler® nexus
The new Mastercycler nexus is your reliable companion when it comes to the daily routine of PCR. It can accommodate 96-well PCR plates, 0.2 mL PCR tube strips and 0.2 mL and 0.5 mL PCR tubes. It is easy to use, does not need much space or energy and sends you an email when it is done!

> Combine up to 3 units for maximum throughput!
> Small footprint
> Low energy consumption
> Universal block available
> Low noise emission
> Intuitive operation



Promotional Offer:

Buy a Mastercycler nexus from the list below and receive 20 % off the standard list price.

PLUS Bundle and Save more:
Add 3 boxes of Eppendorf twin.tec® PCR plates to your Mastercycler nexus order and receive a Research plus pipette pack free*.

Mastercycler® pro
Getting reproducible results quickly is vital for PCR in any application. The vapo.protect® concept reduces evaporation to a minimum. The high heating and cooling rates of the Mastercycler pro S give you the speed you need. Even higher speed can be achieved with Impulse PCR, a hot-start function that increases heating rates to 8 °C/s.

> Ultimate reduction of evaporation
> Extremely fast heating and cooling rates
> Intuitive graphic programming
> Gradient blocks with SteadySlope technology
> Up to 5 units can be networked using a Control Panel
> Up to 30 units can be networked using PC software

Promotional Bundle and Save Offer:

Add 3 boxes of Eppendorf twin.tec® PCR plates to your Mastercycler pro order and receive a Research plus pipette pack free*.

Don't Forget! Register your PCR machine to receive epPoints.
With Eppendorf's bonus points program you can claim a great variety of fantastic rewards. Use the QR code or visit www.eppendorf.com/myeppendorf

Registration Bonus: Register your NEW PCR machine and receive a free test dongle, discount service voucher and a PCR cooler. Plus all the benefits of our product registration program.

Reliable Centrifugation

Multipurpose Centrifuges - 58xx Family
The centrifuges 5804/R and 5810/R have stood the test of time for years. With robust and reliable features, this centrifuge family is a staple in labs around the world. Now available with an even larger rotor selection, capable of spinning up to 750 mL bottles we can find the right centrifuge for your lab.

> Low profile for easy operation
> Soft-touch lid closure
> NEW Eppendorf QuickLock® caps for one-hand operation
> Eppendorf QuickLock rotor lids for ergonomic lid locking
> Reduced power consumption by up to 48 %
> Longer rotor lifetime

Promotional Offer

Purchase a 58xx family centrifuge with or without a rotor and receive 20 % of your purchase price in free goods*.

Purchase a 58xx family centrifuge and receive 20 %* off a rolling cabinet when purchased on the same order.

Get Even More Capacity - 5920 R

NEW! Centrifuge 5920 R is the new benchmark in capacity and performance. With a footprint similar to 3 Litre capacity centrifuges, the 5920 R features a superior capacity of up to 4 x 1,000 mL or 52 x 50 mL conical tubes. The 5920 R also offers optimal temperature management with a powerful state-of-the-art refrigeration system which saves energy and cost.

> Mix-loading capability for tubes and plates
> Soft-touch lid closure
> Eppendorf QuickLock® caps and rotor lids for ergonomic lid locking
> Accommodates standard 1 L Nalgene® bottles
> Dynamic Compressor Control (DCC) technology for precise cooling performance
> Extra cooling features such as ECO Shut-off and FastTemp pro®

Promotional Offer

Purchase a 5920 R centrifuge with or without a rotor and receive 20 % of your purchase price in free goods*.

* Not available on demo stock and stock clearance promotions. 20 % of your purchase price applies to centrifuge and 1 rotor only excluding GST, packing and freight. Please contact us for a quote. 20 % in free goods will be supplied to you at the time of quotation and order processing. Visit www.eppendorf.com/promotions for claimable items.

Galaxy CO_2 Incubators
Eppendorf CO_2 incubators maintain exceptional temperature and CO_2 control creating the perfect incubation conditions, while features such as the seamless chamber make them easy to clean and ensure a contamination-free environment. They set the standard for quality and innovation, and are designed to meet real world needs.

Galaxy CO_2 Incubator Promotional Offers*:

Option 1: Buy a Galaxy® 170 R with HTD from the list below, at list price and receive 15 % of your purchase price in free goods.

Option 2: Buy a Galaxy® 48 R with HTD from the list below, at list price and receive 15 % of your purchase price in free goods.

or

Purchase the Galaxy 170 S with HTD at a new List Price of $6,500.00*

Innova® Incubator Shakers
Eppendorf's New Brunswick™ incubator shakers have long been at the forefront of quality and performance in this field. Engineering quality means that our shakers perform well over many years giving our customers long product life. This quality also provides very smooth operation, minimising wear and noise, keeping lab environments more pleasant to work in all day. Our comprehensive range of platforms, clamps, racks, and sticky pads allow shaking of 96-well plates to 6 litre flasks.

Innova Incubator Shaker Offer*:

Buy a New Brunswick incubator shaker from the list below, at list price and receive 15 % of your purchase price in free goods*.
