Eppendorf Limited Product Warranty

Eppendorf Eporator

Eppendorf North America Inc. (“Eppendorf”) warrants to the purchaser (“Customer”) of Eppendorf Eporator (“Product”) that the Product excluding software, documentation and similar items, will be free of defects in workmanship and materials for a period of 2 years from the date of purchase of the Product, to the Customer (the “Warranty Period”).

This Limited Warranty applies only to a Product which is purchased for Customer’s own use and does not apply to Products purchased for resale, unless Customer obtains Eppendorf’s prior written approval at the time of purchase from Eppendorf. This Limited Warranty is not transferable.

Notice of a defect in a Product must be received by Eppendorf prior to the expiration of the Limited Warranty Period and within thirty (30) days after any alleged defect becomes reasonably apparent to Customer. If Eppendorf elects to repair a defective Product, in Eppendorf’s sole discretion, it may use new or used parts that are substantially equivalent to the originally installed parts in function and performance. Such parts will be warranted for the longer of ninety (90) days or the remainder of the Limited Warranty Period, but shall not extend the Limited Warranty Period for the Product.

If notice of a defect is provided to Eppendorf within the first 90 days after purchase, Eppendorf will arrange and pay for all costs involved in the standard ground transport of the unit to and from an Eppendorf approved service center for warranty repair. To receive warranty service after this 90 day period, Customer will be required to ship the unit, at Customer’s expense, to an Eppendorf approved service center for warranty repair. Eppendorf will pay for return shipping of the repaired Product.
