!If no information is provided, Standard-Service with evaluation according to manufacturer specifications and a yearly service-interval is assumed.

In the **case of defects** please check Premium-Service: Premium-Service works as a flat-rate and includes reparation and servicing as well as the exchange of all defective parts (excluding PCB, Pump and Motor Units)

In case of a repair, I only require a cost estimate if the price of the service product (= flat-rate) is exceeded.

**Attention:** Please provide all needed accessories (e.g.: tips, if Eppendorf-tips are not compatible or other tips are desired, chargers for electronic pipettes etc.)
