In the event of legal action being taken against the Seller or the Buyer with a claim for compensation based on the rules governing product liability, each party undertakes to let himself become involved in a pending case against the other party at the latter's request.

13. Force Majeure – Circumstances beyond the parties control

Circumstances which preclude any claim for compensation and postpone the delivery date and/or payment date exist when breach of contract is caused by an obstacle beyond the control of Eppendorf which we could not reasonably be expected to have taken into consideration or avoided at the time of entering into the contract, nor could the reasonable person be expected to have overcome.
