NEW accessory for all Eppendorf pipettes

Make Your Mark

Label your pipettes with ColorTag marking rings

Make your pipette your own and keep track of essential information with our new ColorTag silicone pipette marking rings, available in six sizes and twelve colors. ColorTag marking rings attach easily to any Eppendorf pipette and many other liquid handling instruments, offering color-coded identification from afar. Customize them with pens* for personalized labeling!

Features

> Flexibly label any pipette for personal use or specific applications.
> Prevent errors from pipette misidentification.
> Add color and joy to your lab environment!
> Autoclavable and extensively tested for lab use.

*Tested with ballpoint pens, felt tip and/or permanent markers. Soak/wipe with ethanol to remove ink (not suitable when using permanent markers).
