epMotion® 96 and 96xl: iPod® Compatibility List

epMotion 96 and 96xl should be operated via iPod touch®. Many model generations of iPod touch® exist, but only a few can be charged in the epMotion 96 and 96xl docking station. This document shows the connection requirements and iPod touch models. Operation via iPhone® or iPad® is possible without charging the device in the docking station.

Apple® iPod touch needs a lightning connection

Lightning connector and cable
